Press Release 25/02/2020

Lesotho Council of NGOs will conduct a 2020/21 budget speech analysis at Victoria Hotel on Wednesday the 26th February 2020. The budget speech analysis is an annual activity undertaken by LCN after the Minister of Finance delivered a budget speech in joint sitting of parliament.

The purpose of budget speech analysis is to understand allocation patterns on whether the budget is a developmental one, whether it is sustainable, pro poor based on government and global goals and whether general populace is to benefit through decentralisation. For each budget speech analysis, there are certain line ministries that are prioritised in line with six LCN sectoral commissions with the purpose of ensuring that afters such analysis, concerned commission draw their activity programmes based on the outcomes of the analysis.

For 2020/21 budget speech analysis, special focus will be on six government ministries namely Ministry of Health, Ministry of Agriculture and Food Security, Ministry of Education and Training, Ministry of Gender and Youth, Sports and Recreation, Ministry of Small Business Development, Cooperative and Marketing and Ministry of Forestry and Land Reclamation.

It is expected all relevant stakeholders will participate in this activity.
