Press Release 05/12/2019

Lesotho Council of NGOs will convene its 20th NGO Week and its 30th Annual General Meeting from December 9th to December 12th, 2019 at Manthabiseng Convention Centre.

NGO week is a platform where civil society organisations gather together for the whole week with the purpose of sharing and reflecting on the progress and challenges facing development in the context of NGO operations in Lesotho and vouch for possible solutions and way forward. The civil society organisations are able to take part in seminars, discussions and debates on issues of national importance.

The theme for this year is “*Our Natural Resources, Democracy Space and Human Rights – Not Negotiable*”. There would also be sessions at which various topics will be discussed in this year’s NGO week.
